Michigan Engineering Online: Informational Webinar for Graduate Degrees

Michigan Engineering Online is hosting an information session on **Wednesday, July 15, 2026, at 11:00 AM EST** to discuss our graduate degree options. Our graduate coordinators and I will be joining to answer any specific questions you may have about the programs.

Just a reminder, the Fall 2026 application has closed. The 2027 application should open this month.

You can register here for the webinar.
